**Overview** (150 – 200 words minimum – no strict limit) – *give a general snapshot of the hotel property and highlight its main attractions and facilities briefly.*

If you're looking for the ideal getaway for your next tropical vacation, Paradise Island in the Bahamas is world famous and the perfect escape for relaxation, sun, and fun. And, Paradise Island Harbour Resort is the perfect escape for singles, couples, families with children, newlyweds, or groups.

With so many diversions to enjoy at this resort, you'll forget all about your everyday cares and worries. First, take in the gorgeous views of Paradise Island, Bahamas Harbour, and the city of Nassau as you walk down the 250 foot boardwalk. Then enjoy lounging on the private lagoon beach and swim with the exotic fish in the snorkeling lagoon. There is also a wide array of both land and water sports to enjoy. You can perfect your tennis swing, enjoy a fun game of beach volleyball, or soak in the hot tub while the kids (if you choose to bring them) can have tons of fun at "Camp Paradise" with daily activities and entertainment. And the best part? It's all included in the price of your vacation at this all-inclusive resort!

Plus, if all that is not enough fun, you're just steps from the famed Atlantis Resort that boasts a huge water park, the world's largest marine exhibit, more gourmet dining, a casino, and a host of boutique shops. You're sure to find so much to do that you'll need a second vacation to take it all in.

**Location** – between 60 - 120 words

Paradise Island Harbour Hotel is located on Paradise Island which is a 685-acre island in the Bahamas best known for its amazing, all-inclusive resorts. The island is situated just off shore of the city of Nassau, which itself is located on the northern edge of the island of New Providence. The two islands are connected by two bridges that cross Nassau Harbour.

Paradise Island Harbour Resort is within walking distance of all Paradise Island has to offer, including the exhilaration of Atlantis, and is within minutes of the excitement of historic downtown Nassau. Play at the huge water park, lounge on the soft sand beaches, then hop on a ferry or water taxi and head to town for the evening of shopping in the Marina Village Marketplace. Or, have a romantic dinner eating fine cuisine at one of the many restaurants, and party at the rockin' nightclubs.
